Sather Tower "Campanile" was completed in 1914, is 8,600 sq. feet, and made of steel and granite. The building cost $250,000 & the architect was John Galen Howard. The lower is a memorial to Mrs. Jane K. Sather. The tower and chimes were dedicated on Charter Day, 1918.

Instructions:
1) Color.
2) Mount on a second sheet of paper. (Optional)
3) Cut along heavy outline. Cut slits for tabs. Cut triangles to roof line only to make the four corner spires.
4) Fold along arrowed lines.
5) Tuck tabs into slots by matching letters, going from A to G.
6) Make a hanger with needle and thread or yarn.
7) Enjoy—
